**Subject: Invitation for papers/ participation in National Conference on
'Optical & Wireless Communication' (NCOW-2008)**

Dear Sir/ Madam,

It gives me an immense pleasure to announce that the Department of Electronics & Communication Engineering at DAVIET is organizing its 1st National Conference on 'Optical & Wireless Communication' (NCOW-2008) in association with Institute of Engineers (India) and Rsoft Design Group, USA.

NCOW-2008 aims to stimulate the urge for research in this area by bringing academicians, research scholars, scientists and professional from industry on a common platform to share their research experiences and perceptions.

We are enclosing herewith the conference flyer and brochure containing all the relevant information for your reference. It would be appreciated if the flyer and brochure are give wide publicity to enable the interested researchers and scholars to utilize the opportunity of participating in this conference. Few copies of flyer and brochure are enclosed for the scholars intending to participate. More details can be assessed on the website www.davietjal.org/ncow2008/.

We request you to kindly motivate your faculty members, engineers/scientists, research scholars and students for contributing their papers.

We believe that your assistance and support would contribute significantly towards the success of this conference.

Looking forward to an early response from your side.

With warm regards,

Dr. Manoj Kumar
