OFFICE CIRCULAR

As per information received from **NASSCOM**, it is mandatory for **all Software Professionals** to be registered on “ **National Skills Registry or NSR**” . Most of the Software Companies (representing 95% of the revenue of IT/ITES industry) have made it compulsory for all their employees to be registered on NSR.

However, **all final year B.Tech. & MCA students** can also register themselves on NSR. This would enhance their career prospects as their profile shall be available for recruitment to all the software companies who are members of NASSCOM

All final year B.Tech. & MCA students are therefore advised to get themselves registered on NSR by visiting <https://nationalskillsregistry.com>.
